

**BE AIR AWARE , IT'S SOMETHING WE ALL SHARE**

---

**WELCOME TO OUR**  
**Scent-Free**  
**Zone**

*Please do not wear perfume, cologne, cosmetics, deodorants, hair products, or any other scented products.*

*Scented products contain chemicals which are harmful to us all and can aggravate health problems and cause immediate reactions in many, including those with allergies, asthma and environmental illness.*

*Although you may believe that wearing scented products make you smell and feel good, getting them out of your body (and your life) makes the best sense.*

**WE CAN MAKE A DIFFERENCE BY SHARING WHAT WE KNOW**
